

# Marvellous Catering Corporate Lunch Menu

---

At **Marvellous Catering** we know providing free meals is a great way to attract and retain high-level employees. We take corporate lunch service to a new level. Our food and service is exceptional. We don't do ugly buffets. We come with table linens, uniformed and smiling employees and setup up an efficient and attractive spread. We want your employees to feel important. We want to make you look like the company hero.

We channeled our inner wholesale club to give discounted volume pricing. All prices listed are based on groups of 100 or more and what you see is what you pay. The only cost not covered in the prices listed is 7.75% Utah Food Sales Tax.

## All Meals Include

**High-Quality Disposables** – heavy-duty paper plates, clear plastic forks and dinner napkins.

**Buffet setup** – all setups include real tablecloths and chafing dishes. We keep our hot food hot and our cold food cold. We also make sure to bring coordinating condiments because for some it's not the perfect meal unless they've topped it with the right hot sauce, Parmesan cheese or BBQ sauce. We pay attention to the little details so you can receive the big thanks!

**Buffet Service** – prices include one hour of buffet service.

**Left Over Service** – yep, we will box up any leftovers and place them in your fridges for employees who might have been stuck in a meeting during lunch.

**Catering Cleanup** – just like a Boy Scout, we leave places better than when we arrived.
